
Product Warranty and Support Details

Eco-Clamp™ products are warranted against defects in materials and workmanship for a period of **twenty (20) years** from the original date of purchase. At its sole discretion, Magna-Tek Solutions Inc. will repair or replace any defective product with the same or an equivalent model. This warranty applies only to Eco-Clamp™ devices that have been installed and used in accordance with the published installation guidelines and intended applications.

Warranty Exclusions

This warranty does not cover:

- Cosmetic damage of any type.
- Damage or malfunction caused by accident, abuse, defective installation, or acts of God.
- Any product that has been opened, tampered with, repaired, or modified in any way.
- Damage resulting from use outside of specified environmental or operating conditions.

Attempting to alter or repair the product voids this warranty.

Limitation of Liability

To the extent permitted by law, the warranties and remedies contained herein are exclusive and in lieu of all other warranties, whether express, implied, or statutory, including any warranty of merchantability or fitness for a particular purpose.

In no event shall Magna-Tek Solutions Inc., its distributors, or representatives be liable for any incidental, indirect, special, consequential, or punitive damages arising from the use or inability to use the product, or from defects in the product itself. Total liability under this warranty shall not exceed the original purchase price of the product subject to the warranty claim.

Warranty Registration

To activate your warranty, complete the Warranty Registration Form below or submit your registration online at **www.magna-tek.com/warranty**. Warranty coverage is void if the product is not properly registered within **30 days** of installation.
